## WETHERINGSETT MANOR

We are most indebted to SIM – UK for their warm welcome to Wetheringsett Manor site, and would ask visitors to respect the fact that it is part of a busy international Missionary organisation and that also on site is Plinth 2000 factory, so care should be taken when moving by, keeping a watch out for moving vehicles. It goes without saying that the Manor House and the Factory buildings are out of bounds.

## 180TH ANNUAL MEETINGS

Wetheringsett Manor

This year we make a return visit to the peaceful, picturesque and pleasant surroundings of Wetheringsett Manor in the heart of Suffolk. These facilities are afforded us by S.I.M.-UK, and we are most grateful for their welcome once more. Wetheringsett Manor is situated in the village of Wetheringsett, just a mile off the main A140. For 'sat-nav' users, just dial in the post code – IP14 5QX.

Our Guest Speaker this year is **Pastor Paul Mallard**, Minister at Woodgreen Evangelical Church, Worcester. Pastor Mallard has served as senior Pastor at Woodgreen since 1995 and is currently the President of F.I.E.C. He says, "I am zealous for teaching the Bible so that it is readily understood and applicable to life today. I believe training a new generation of Christian leaders is very important. I was converted at the age of 11 through the work of a small evangelical church in South Birmingham.

Paul Mallard

After graduating from Cambridge I became a teacher in Wiltshire. In 1982 I was called to serve as the pastor of a small church in Chippenham, Wiltshire.

I am married to Edrie and we have four children: 2 boys - Caleb and Amos, and 2 girls - Keziah and Emmaus". We welcome Pastor Mallard to Suffolk for 180th Annual Meetings.

## SEMINARS

This year we have two seminars, with one on the Friday afternoon and the other on Saturday afternoon.

### FRIDAY 11th at 2pm

On Friday afternoon we shall be dealing with the subject which is so very relevant to today; this is being led and presented by representatives from The Christian Institute, under the title of: 'Defending Life and Liberty'.

### SATURDAY 12th at 2pm

Our theme for this seminar is: 'Working on the FRONT LINE – Jesus says GO'. We shall be introduced to four individuals who have experience in witnessing on the 'FRONT LINE'. **Andrew Smith** from Gillingham in Kent, will challenge us as he relates his experiences in how he ended up in his house off his estate, and where and what that has led to. John Bale is a well-known character in the area of Felixstowe known as 'The Triangle'. John is involved in regular witness to visitors to that area of town. Jonathan Armstrong and Debbie Stannard, both members of the Bradfield & Rougham Church, are involved in different ways of witnessing and reaching people in the community.

Andrew Smith

Join us in these seminars and come prepared to be challenged and come prepared with your own encouraging and challenging experiences.
